DUTY OF CARE STATEMENT

When you register and play with a Rugby Union Club, you are reminded that Rugby Union is a body contact sport. Potential, notwithstanding all safety guards, exists for a player to sustain injury. Players must therefore prepare themselves for the game by having a commitment to training and a high level of fitness.

As a measure of your club and your Union’s support to players and officials, Rugby Australia has arranged insurance cover as set out in this document and for your benefit and risk protection.

In addition to these policies all players and officials may, and are encouraged, to take out private health insurance, life insurance and ‘Top Up’ cover over and above the Insurance cover specifications defined in this brochure, particularly in relation to ‘Loss of Income’. For any advice or additional insurance cover that any member of your club or association may require please contact Gow-Gates Insurance Brokers Pty Limited.
